

NOVEMBER 2020 PRAYER LETTER

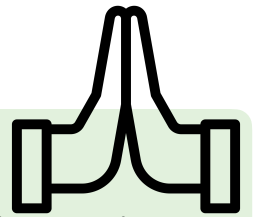

Jonathan Wong | Ministry Trainee Scheme at Christ Church Fulwood

Give Thanks...

- For supervision and training under Andy Fearnley (Minister for Students) and for all ministers of the word in our churches who are passionate to show Jesus to people.
- For housemates who are open and resolved in living Christian life. They have been healthy company!
- Praise God for the joy of Christian service in seeing individual students eager to grow in knowledge and love for God.

Please pray for...

- Bible Triplets. The student team meet with several keen students to spend time opening the bible together and friendship. We've been looking at the sharp and punchy letter of James.
- For ongoing training in bible handling in Matthew and Genesis. Please pray for the Spirit of understanding and revelation to being thrilled by the gospel afresh.
- Pray for Students who are making decisions on returning home under Government guidelines and also for those who will be sticking around over the Christmas period.
- Pray for Christian character. Please pray for growing compassion for people. Especially when people are hurting and finding the times difficult.

Upcoming...

- Talk on Matthew 11 at Bible Training Yorkshire (November 26th)
- We're continuing our studies in Ephesians on Tuesday evenings with students. Many students have been attending online over Zoom calls with their groups followed by a summary talk with Q&A all together.
