

JANUARY 2021 PRAYER LETTER

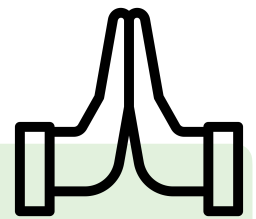

Jonathan Wong | Ministry Trainee Scheme at Christ Church Fulwood

Give Thanks...

- For Guest and Carol Services over Christmas and New Year period and the many people who heard the gospel.
- For the number who are planning on coming to Christianity Explored over zoom starting (21st January for 7 weeks)
- 9:38 Conference & ReNew Conference – Over January, we joined other trainees and church delegates in training and seminars for gospel ministry. It was exciting to see many others contending for the gospel all over the country!

Please pray for...

- Sheffield students scattered across the country. Some have returned to Sheffield for studies in-person but many are at home. Pray for a real sense of community and for attendance to student small groups and prayer together.
- Staff at Christ Church Fulwood who are experiencing pressures on every side with illness and burnout and sharing burdens. Pray for deep trust in God for the staff and needs being met in the gospel.
- Bible Training Yorkshire begun last week looking at 1 & 2 Samuel and Romans, pray for study and for being equipped by God's word for serving the church.
- Integrity with time and energy, and vision in maximising ministry at this time.

Upcoming...

- Student small groups – Following a lament series in the Psalms with the church for three weeks and then returning to Ephesians.
- Bible Triplets resuming with students. We're currently working through the letter of James together in seeing what wholehearted devotion looks like.
- Book groups with Students beginning this week – reading 'Gentle and Lowly' by Dane Ortland.
