

MARCH 2021 PRAYER LETTER

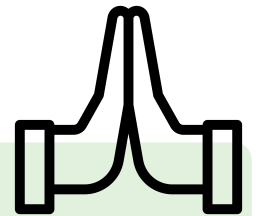

Jonathan Wong | Ministry Trainee Scheme at Christ Church Fulwood

Give Thanks...

- For finishing up on second term of BTY studies in Romans and 1 & 2 Samuel. Praise God for the number of gospel workers eager to learn and teach the bible in their churches.
- For students who have been persevering in evangelism at this time at Christian Union events and encouraging one another to keep sharing the gospel.
- For the Christianity Explored course just finished and for encouraging stories of people leaning into further study in the bible.
- For bible triplets and the young men who have been an encouragement in being eager to grow in godliness.

Please pray for...

- Resuming in-person services at Easter and for the transition of moving our meetings to the church centre as the building project begins.
- Easter services, for both Christians to see afresh the power of the gospel and for many unbelievers to be invited and to tune in online.
- Rest for staff and trainees after the Easter period and to be refreshed for the weeks ahead.
- Progress in godly character. For personal integrity in applying biblical truth and a growing Christ-like compassion and care for people.

Upcoming...

- Ephesians study prep and talk (Ephesians 5:1-14, 18th April)
- Pastoral Counselling studies sessions on Mondays beginning April 19th.
