

# Rooted Disciples

So, we're Anglican, but what should Anglicans believe?

Over 10 sessions we will look at the historic faith that has been passed onto us. We will do this through a careful examination of the 39 Articles of the Church of England which J.I. Packer called 'the truest, wisest and potentially richest heritage in all Christendom.' This is a statement I have come to believe is true.

You aren't required to believe everything we will cover to be a member at St John's and aren't required to identify as an Anglican either. However, these sessions will tell you what Anglican churches are meant to teach. I hope these doctrines will warm our hearts and make us more 'passionate disciples'. I also hope to increase the rigour of our beliefs and convictions.

**Must I attend every session?** No. Come to as much or as little as you would like. Please arrive on time, as we will begin teaching promptly.

**Is breakfast supplied?** Croissant and a hot drink. Suggested donation of £1 for a croissant.

**Do I need to book?** Yes, please book so we know how many croissants to purchase!
