

Thanks: The first call is the hardest. We are thankful that our presence at Hope Haven to support enquirers has resulted in 4 people getting help from CAP. There were 2 the first day!

News: The next CAP Money Coaching will be held at St John's on 1st and 8th September. The 2 sessions are each 2 hours, 10am for 10:30 starting with a drink, finishing 12:30. It's not just for clients, it's for anyone who wants to budget and manage their money – and it's free!

Let Pat know if you want to join them capmoneywhitehaven@gmail.com

Prayers: We prayed for 13 clients at our last prayer meeting. Some are waiting for budgets, some experiencing difficulties, some doing well on repayment plans, one debt-free.

If you'd like to be join the prayer group, or get the prayer note, please contact Phill at prayforCAPWhitehaven@gmail.com
