

Christians Against Poverty Whitehaven - May Update

News: There will be a CAP Money Management Course on 20th and 27th May, 10:15 – 12:30 upstairs at Cornerstone bookshop. Anyone can come and learn how to better budget their money.

Please book with Pat capmoneywhitehaven@gmail.com

Thanks: We are thankful that former Fareshare clients are now receiving food from Phoenix food bank.

Prayers: We have welcomed a client who has moved here from another area and was being supported by the CAP Debt Centre there. Pray that we will form a good relationship with them.

We have capacity for new clients just now. Please pray for people to come to us for help.
