

Christians Against Poverty Whitehaven - August Update

News: We have 4 clients waiting for their budget to come through, 3 clients waiting for Debt Relief Orders to go through, 3 clients have gone debt free and we have 2 new clients. Please pray for all of our clients.

Prayers: Please pray for our befrienders who have supported all these clients, particularly those who have taken years to go debt free on repayment plans. We would like befrienders from each of the partner churches. We're holding a Befriender Training Day on 20th September.

Thanks: We give thanks for the Health and Wellness day at the rugby club where we had a CAP stand. 1500 people attended and we strengthened links to many local organisations who refer people to us.
