

## **Christians Against Poverty Whitehaven - July Update**

**News: CAP Whitehaven annual partnership meeting heard how our work is continuing steadily with money management courses, prayer meetings, links to agencies, fundraising and the faithful support of our churches and volunteers. We currently have 8 clients.**

**Thanks: We are thankful that Mel, Carl and Si were able to attend the uplifting CAP national conference.**

**Prayers: That our connections with local agencies (Social Prescribers, Job Centre, Hope Haven etc) will enable people in debt to come to us for help.**
