

Christians Against Poverty Whitehaven - December Update

News: In 2025 Mel, our Debt Coach, saw 16 new clients. We are still supporting 4 from previous years who are on debt plans. 9 clients went debt free. We took 2 new clients in December but won't take any in January while training in the new Debt Help Programme. We did CAP Sundays in 6 churches including 3 of our partner churches. A good year ended by blessing our clients with hampers.

Thanks: When Copeland Community Fund gave us a grant, they set us a target for volunteer time. We reached 93.8 % of the target and thank our wonderful team of volunteers for a combined total of 375 ¼ hours.

Prayers: Please pray that God will continue working through CAP Whitehaven to bless our clients throughout 2026.
